C Tee Times - Reporting & Statistics

2017 - Summer Edition

User Guide - Table of Contents

Overview Use Case Accessing the Tool Statistics Interface Reports Interface

Overview

The **Tee Times** system offers a variety of statistics and reports on who has booked a reservation, how often members or guests have visited the courses, and more.

Use Case

- Prospecting Guests
- Marketing and Cross Marketing Events
- Predict Member and Guest Behavior

Accessing the Tool

To access **Statistics**, go to the Tee Times Admin Dashboard.

Hover over Administration and click Statistics.

Statistics Interface

The Statistics default page will list all available reports within the Tee Times system.

Statistics		
Search	SEARCH	No Filter
\sum	Accounting Charge Summary Summary of all pro shop charges processed within a date range grouped by charge type with revenue code detail on one course or all courses.	***
	Guest History List of individual guests who have played within a specified date range on a course or all courses with their contact infomation and referring member.	****
	Guest History Summary List of all guests with their contact infomation, referring member, and number of plays for a selected date range on a course or all courses.	***

This image only shows a few of the reports available

You can easily search for a report by typing the report name in the **Search Bar**.

Or, you can use the **Filter Dropdown** to sort reports by category.

Each report will also provide a short description about the report and the type of statistics that will be pulled from the report.

Report Interface

Inside each report you will be able to sort and filter data in various ways.

						Back to Stats
All Guests Report	t					***
Select Course All Courses	Filter		From 7/15/2017	To 9/15/2017	WUPDATE	
						Export to Excel Export to PDF
First Name	Last Name	Email	Phone	Member	Guest Type	Guest Plays
Andy	Griffith					0
Barney	Fife				Comp	0
Gomer	Pyle				Prospective Member	0
Kevin	Potts					0

Use the **Course Dropdown** to view individual courses or to all courses.
